Notes:

- 1) **Bassist, Drummer and Guitarist use in-ear monitors and will need XLR cables to connect from the mixing board to their in-ear equipment.**
- 2) **Lead singer brings his own wireless microphone.**
- 3) **Band requires access to monitor mixing board's Wi-Fi so they can mix their own monitors. Please let the band know if this is not possible so we can make accommodations.**
- 4) **Lead singer requires wedge monitor provided by sound company.**
- 5) **Please email badjujucleveland@yahoo.com with any questions.**

Bass Guitar Rig:

**No speakers,
runs direct to
mixer**
